Introduction and important notices

Important

This is Your Policy of insurance – an important document. You should read it carefully before making a decision to purchase this insurance and so that You know exactly what You are insured against.

It will help You to:

- decide whether this insurance will meet Your needs; and
- compare it with other products You may be considering.

It tells You:

- What is covered,
- The claims procedures,
- The conditions and exclusions that apply.

When You buy insurance You enter into a legal contract in which You promise to meet certain obligations and conditions. When We agree to insure You, We do so based on the information provided by You or on Your behalf. In return for paying the Premium to Us, We will give You the protection described in this Policy for events that occur during the Period of Insurance.

Please note that any recommendation or opinion in this document is of a general nature only and does not take into account Your objectives, financial situation or needs.

You need to decide if this insurance is right for You and You should read all of the documents that make up the Policy to ensure You have the cover You need.

If You do not fully understand this Policy, please ask Your Insurance broker to explain it to You.

All claims and general enquiries should be directed through Your insurance broker.

Who is the Insurer?

Allianz Australia Insurance Limited ABN 15 000 122 850 (Incorporated in Australia) trading as Allianz New Zealand of Level 11, Tower 1, 205 Queen Street, Auckland, New Zealand 1010, is the insurer of this Policy and is one of Australia's largest general insurers.

AM&T NZ is a division of Allianz New Zealand specialising in Cargo, Commercial Hull and Marine Liability insurance.

We utilise years of local expertise, combined with global experience to offer a wide range of products and services to Our customers. As a member of the worldwide Allianz Group, We are committed to continuous improvement of Our products and services and strive to achieve this through

knowledge transfer within the Group, dedicated technical research units, sharing globally new product developments and a wide range of risk management services.

In the Policy document We refer to Allianz Australia Insurance Limited as "We", "Us", "Our" and "Allianz".

Our contract with You

Where We agree to enter into a Policy with You it is a contract of insurance between Us and You (see the definition of "You" for details of who is covered by this term). We only cover those parties shown in the Schedule unless otherwise stated in the Policy as being a person or entity entitled to cover. If more than one person is insured under the Policy, a failure or wrongful action by one of those persons may adversely affect the rights of any other person insured under the Policy.

We cover You in accordance with the insurance as described in this Policy, for the Period of Insurance shown on the Schedule and for any subsequent period where renewal may be agreed. The maximum amount We will pay under the Policy will not exceed the Sum Insured shown on the Schedule unless otherwise specified herein.

You are required to comply with the terms and conditions of the Policy. Please remember that if You do not comply with any term or condition, We may (to the extent permitted by law) decline or reduce any claim payment and/or cancel Your Policy.

The Policy consists of:

- this document which sets out the standard terms of Your cover and its limitations;
- Your current Schedule issued by Us. The Schedule is a separate document, which shows the insurance details relevant to You. It may include additional terms, conditions and exclusions relevant to You that amend the standard terms of this document; and
- any other change to the terms of the Policy otherwise advised by Us in writing (such as an Endorsement). These written changes may vary or modify the above documents.

These are all important documents and should be carefully read together and kept in a safe place for future reference. When You enter into the Policy You confirm and warrant that You have read or will read the Policy documents when provided to You. Any new or replacement Schedule We may send You, detailing changes to Your insurance or the Period of Insurance, will become the current Schedule, which You should carefully read and retain.

We reserve the right to change the terms of this insurance where permitted to do so by law.

Summary of the covers available

Please note that this is a limited summary only and not a full description of the covers. The Policy is made up of two sections. You need to read the cover sections and the Policy to properly understand the cover.

- **Section 1 – Transits within New Zealand**

This section covers You for loss of or damage to the Goods described in the Schedule whilst in Transit within the Geographical Limits specified in the Schedule.

- **Section 2 – Imports to and exports from New Zealand**

This section covers You for loss of or damage to the Goods described in the Schedule imported to New Zealand or exported from New Zealand or as otherwise agreed and specified in the Schedule.

Each of these sections provide for different voyages and Conditions of Cover as detailed in each section of the Policy. You need to read the cover sections and the Policy to properly understand the cover. As Sections 1 and 2 may be subject to different laws, each section (comprising the information contained in the Schedule, in the Policy wording and in any Endorsement) must be read in conjunction with the general conditions and general exclusions and other documents setting out the terms of the Policy as though it were a separate Policy.

You are not automatically insured under each section. You are only covered for the sections that are specified in the Schedule.

Understanding Your Policy and its important terms and conditions

To properly understand the significant features, benefits and risks of this insurance You need to carefully read:

- about each of the available types of cover and benefits and exclusions in the relevant Sections One and Two (the standard cover provided under each section can be affected by the following);
- the rest of this “Introduction” section – this sets out how You apply for cover, the basis on which We insure You, the duty of disclosure You need to meet before We insure You, Our privacy information, Our dispute resolution procedures and other important information;
- the “Words with special meaning” section – this sets out what We mean by certain words used in the Policy. These words begin with a capital letter throughout this document;
- the “General Policy exclusions applicable to all sections” section – this sets out the general exclusions and limitations that apply to all covers and benefits;
- the “General Policy conditions applicable to all sections” and “Claims” sections – these set out certain general rights and obligations that You and We have and other cover restrictions;

- all of the documents that make up the Policy, including the Policy Schedule and any Endorsements or other written changes to the cover We issue You with – these contain specific details relevant to You and can affect the cover.

Headings are provided for reference only and do not form part of Your Policy for interpretation purposes.

Applying for cover

When You apply by completing Our application process You need to provide the information We require to determine whether to issue a Policy and if so, on what terms, including (to the extent they are optional):

- the covers and benefits You want (including the Goods You wish to cover);
- the limits You want;
- the period of cover You want;
- whether You want any third parties to be noted as having an interest;
- the Excesses that You agree to contribute for certain claims;
- whether any standard terms need to be varied (this may be by way of an Endorsement).

Where We agree to issue a Policy, cover is provided on the basis:

- that You have paid or agreed to pay Us the Premium for the cover provided;
- of the verbal and/or written information provided by You which must have given in accordance with Your duty of disclosure either verbally or in writing.

Your duty of disclosure and the consequences of nondisclosure, are provided under the heading ‘Your Duty of Disclosure’ on page 5.

Renewal procedure

Before Your Policy expires, We will advise You whether We intend to offer renewal and if so on what terms. This also applies for any other renewal We make, unless We tell You otherwise.

It is important that You check the terms of any renewal before renewing to satisfy Yourself that the details are correct. In particular check the Sum Insured amounts to ensure the levels of cover are appropriate for You and that the covers selected suit Your needs, allowing for any changes in Your business since the Policy was originally taken out.

Please note that You need to comply with Your Duty of Disclosure (see page 5) before each renewal. In particular, You must inform Us regarding any changes to the Goods being shipped, maximum limit any one Conveyance, Geographical Limits or Sendings/Turnover.

Contact for assistance or confirmation of cover

If You need to confirm any Policy transaction or clarify any of the information contained in this Policy or, if You have any other queries, please contact Us via the details on the back cover.

Your Duty of Disclosure

Before entering into a contract of insurance, You have a duty, at law, to disclose to Us all material facts. This duty also applies when You renew, vary, extend or reinstate Your Policy. The same duty applies to any person making statements or providing information on Your behalf.

Information is material if it may influence a prudent Insurer in deciding whether or not to accept cover, renew or alter the Policy, the terms and conditions to operate, including the Premium payable.

Examples of information You may need to disclose include but are not limited to:

- anything that increases the risk of an insurance claim;
- subject to the Criminal Records (Clean Slate) Act 2004, any criminal conviction or offence;
- if another insurer has cancelled or refused to insure or renew insurance, has imposed special terms, or refused any claim;
- any insurance claim or loss made or suffered in the past five years.

These examples are a guide only. If there is any doubt as to whether a particular piece of information needs to be disclosed, this should be referred to Allianz Australia Insurance Limited.

Non-disclosure

If You fail to comply with Your Duty of Disclosure, it may result in:

- the Policy being void;
- the Policy being cancelled; or
- the amount We pay if You make a claim being reduced.

Alteration of Risk

If You become aware of any changes to the facts or circumstances which existed when this insurance commenced that change the nature of the risk (for example, the nature of Your business operations, or other circumstances that affect the Insured Goods carried) in a way that would increase the risk of loss or damage occurring You must notify Us immediately in writing. If We agree to the change We will do so in writing and You must pay Us any additional Premium We require.

Where the Marine Insurance Act 1908 applies

You must give Us immediate notice in writing if there is any material change in the circumstances or nature of the risks covered by this Policy, or no claim arising after the change shall be payable unless We have agreed to the change in writing.

Premium

Your Premium – the base Premium We charge is calculated based on a number of factors such as:

- type of Goods to be insured, where the Goods are to be transported to and from, the Sendings or Turnover, the cover and Sum Insured required, Your insurance history etc;
- Our obligation to pay relevant government taxes and charges. For example, GST payable in relation to the Policy.

Minimum Premiums may apply. When You apply for this insurance, You will be advised of the total Premium amount payable, when it needs to be paid and how it can be paid.

This amount will be set out in the Schedule, which will be sent to You after commencement of cover under the Policy. If You fail to pay the Premium We may reduce any claim payment by the amount of Premium owing and/or cancel the Policy.

We will indemnify You for loss of or damage to the Goods described in the Schedule whilst in Transit within the Geographical Limits specified in the Schedule caused by an Insured Event occurring during Transit and during the Period of Insurance.

The Transit

General Goods/Temperature controlled Goods

Each insured Transit commences when the Insured Goods are first moved inside the warehouse/premises or place of storage for the specific purpose of loading onto the Conveying Vehicle for transport to a destination outside the premises at which loading takes place, continues during the ordinary course of transit and terminates when:

- the Insured Goods are last moved when being delivered to the intended destination or such other place as You may instruct, or
- The normal course of transport is interrupted at Your (or the seller/purchaser's) election for the purposes of storage, allocation or distribution.

The insured Transit includes any Transit to or from and while the Insured Goods are at any premises for the purpose of packing or preparation for shipment for a period of up to one month prior to shipment.

The insured Transit excludes any period of dismantling, erection, commissioning or installation prior to or post Transit as defined above, unless otherwise agreed by Us and specified in the Policy Schedule.

Livestock

The insured Transit commences for each animal when it enters the Conveying Vehicle or its loading ramp, continues during the ordinary course of Transit (as defined for General Goods, above) and terminates for each animal when it exits the Conveyance or its loading ramp at the intended destination or such other place as You may instruct.

Cover continues during the ordinary course of Transit as defined for General Goods above. Cover terminates when the wheels or tracks of each motor vehicle(s) being transported as Goods are driven

In the case of Livestock during long haul movements, Transit continues for up to 7 days during necessary temporary resting/spelling.
- **Reconsigned/Reshipped Goods:** Transit is deemed to continue where the Goods are reconsigned or reshipped direct from a wharf or airport at the intended destination to another destination within the Geographical Limits specified in the Policy Schedule, until arrival at the final destination.
- **Shut Out Clause:** The Transit is deemed to include periods when the Insured Goods are "shut out" awaiting transfer to another Conveyance after Transit has commenced where this is outside Your control.
- **Overcarried Clause:** The Transit continues in the event that Goods are "overcarried" until their delivery to the intended destination.

Section 2 exclusions

Exclusions specific to Section 2 cover are listed in the applicable Institute Clauses as listed above or as noted in the Schedule where different.

The General Exclusions applicable to both Sections on page 24 also apply.

Additional benefits applicable only to this section

Buyers Contingency (Difference In Conditions) Clause

Where:

- the Insured Goods are purchased on CIF or similar terms;
- the insurance provided by the supplier is more restricted than that provided under this Policy;
- the difference in conditions has resulted from fault or neglect of the seller rather than as a result of Your instructions; and
- this additional benefit has not been disclosed to the seller or any third party;

We agree to pay those losses not recoverable under such other insurance coverage arranged by the supplier, subject to:

- the terms and conditions of this Policy;
- consignments coming within the terms of this extension will be valued and declared in accordance with the Policy conditions;

- You protecting and/or pursuing all legally enforceable means of recovery of the loss including those against Your supplier and their Insurers.

In all such cases We will be subrogated to all Your rights and remedies under the insurance arranged by the supplier and You agree to cooperate in all aspects of the recovery.

Certificates of Insurance/Letter of Credit Clause

Where Goods are sold by You, You are authorised to issue and sign Certificates of Insurance in a format agreed to or provided by Us, to comply with letter of credit requirements strictly in conformity with the terms, conditions and limits of this Policy.

If the letter of credit requires insurance terms different to the coverage under Your Policy, subject to You not issuing Certificates of Insurance with greater cover than provided in the Policy, You are authorised by Us to comply with the letter of credit requirement and show the insurance terms expressed in the Letter of Credit on Your Certificate of Insurance.

You agree to indemnify Us for any claim which We are obligated to pay because a Certificate of Insurance has been issued that did not conform to the terms, conditions and limits of this Policy.

Copies of Certificates of Insurance (when issued) are to be forwarded to Us as soon as possible after departure of the export shipment.

Duty Clause

Where noted in the Basis Of Valuation in the Schedule, this Policy is extended to include the amount of any import duty and/or taxes paid or payable by You in respect of Insured Goods You have imported into New Zealand.

No claim is recoverable under this clause arising from:

- total loss of the Goods or total loss of part thereof prior to the arrival at destination;
- General Average;
- in respect of duty waived by Customs Authorities at destination on shipments arriving damaged by an Insured Event;
- in case where no duty or landing charges are paid.

Nothing in this clause shall increase the Sum Insured specified in the Schedule.

FOB/CFR Pre-Shipment Clause

Notwithstanding the legal ownership under Your purchase contract in the case of shipments on FOB, CFR or similar terms of sale, it is agreed that where:

- We are unable to establish the point during the Transit at which the loss event took place; or
- where You are unable to obtain compensation from the seller or other parties.

We will indemnify You for loss or damage to the Goods as if We had insured the Goods on the same terms and conditions as this Policy from the time of departure from the seller's warehouse or premises, provided that:

- You use all reasonable measures to attempt to recover the loss from the seller;
- in the event of a claim being paid, We are subrogated to or assigned any right of recovery there may be under any other Policy covering the Goods prior to shipment; and
- You do not disclose the existence of this clause to the seller or any other interested party.

Insufficiency of Packing Clause

Unless You have selected a restricted perils cover, for example Institute Cargo Clauses (B) or Institute Cargo Clauses (C), where this additional benefit will not apply, the insufficiency or unsuitability of packing or preparation exclusion clause where appearing in the Institute Clauses forming part of this Policy will not apply where the packing or preparation was carried out by a party other than You and the insufficiency or unsuitability arose entirely without Your privity or knowledge.

Benefit under this clause is subject to You agreeing to assist Us in all respects to pursue rights of recovery against sellers and/or other responsible third parties.

Sellers Interest Clause

Where, under a contract of sale, You do not have responsibility to arrange insurance, We will insure the Goods in respect of Your contingent interest:

- where title to the Goods reverts to You because the buyer defaults on payment for the Goods or rejects the Goods;
- where You exercise a right or lien to interrupt the Transit and/or suspend the contract of sale to protect Your interests;

but excluding:

- losses recoverable from credit Insurers; and
- losses or circumstances arising from government action and/or regulations preventing transfer of currency;

subject to the same conditions and restrictions for any other Goods Insured by this Policy.

Cover will continue until:

- the buyer accepts the Goods;
- the Goods are sold to an alternative buyer;
- the Goods are returned to You; or
- the expiry of sixty (60) days from arrival of the overseas vessel at the port of discharge;

whichever first occurs.

Cover under this clause is subject to You:

- providing Us with immediate notice of the circumstances, where applicable;
- not revealing the existence of this cover to Your customer, their Insurers, or to any other party interested in the shipment;
- not assigning this Policy or of any interest or claim hereunder;
- protecting and/or pursuing all legally enforceable means of enforcing the contract of sale and/or recovery of the loss including rights You have against Your buyer and their Insurers.

In all such cases We will be subrogated to all Your rights and remedies against the buyer and their Insurers and You agree to cooperate in all aspects of the recovery.

We will only provide cover to the extent that Your buyer fails to pay for such lost or damaged Goods.

Unseaworthiness and Unfitness Exclusion Modification Clause

The unseaworthiness and unfitness exclusion clause where appearing under 'Exclusions' in the Institute Clauses forming part of this Policy is deleted and replaced by the following.

In no case shall this Policy cover loss, damage or expense caused by the following:

- unseaworthiness of vessel or craft or unfitness of vessel, craft or aircraft for the safe carriage of the Goods, where You are aware of the unseaworthiness or unfitness at the time the Goods are loaded;
- unfitness of container or Conveyance for the safe carriage of the Goods where loading is carried out by You or Your employees.

However, the first exclusion above will not apply where the cover provided by this Policy has been assigned to the party claiming under it who has bought or agreed to buy the Goods in good faith under a binding contract. We waive any breach of the implied Warranties of seaworthiness of the vessel and fitness of the vessel or aircraft to carry the Goods to destination.

Conditions common to Sections 1 and 2

How much We will pay

Claims under Section 1 and 2 are subject to the application of Average or Coinsurance unless specifically noted otherwise.

At Our option We will pay You, repairers or other parties:

- the invoice value covering the Goods; or
- if there is no invoice value, at Our option either:
 - (i) the cost of replacing the Insured Goods with similar Goods of the same age and condition or as near as possible to that age and condition or
 - (ii) the actual market value of the Goods;
- for damaged Goods: the cost of repairing or reinstating the Insured Goods to a condition equal to but no better or more extensive than its condition immediately prior to the loss or damage (including the reasonable cost of any necessary overtime). However, under no circumstances do We cover You for any reduction in the value of Goods because of repairs.

In the event of claim under the Policy where You are authorised by Us to carry out repairs to the Insured Goods, it is agreed that such repair costs shall be based on Your normal commercial rate which includes Your normal element of profit.

The following exceptions apply to the above provisions:

Insolvency of Carriers

For cover under Section 2, The Insolvency Exclusion Clause where appearing in the Institute Clauses forming part of this Policy is deleted and replaced by the following:

In no case shall this Policy cover loss, damage or expense caused by insolvency or financial default of the owners, managers, charterers or operators of the vessel or aircraft where You are unable to show, prior to loading of the Goods on board the vessel or aircraft, that all reasonable practicable and prudent measures were taken by You, Your servants and agents, to establish the financial reliability of the party in default.

This clause shall not apply where this insurance has been assigned to the party claiming hereunder who has bought or agreed to buy the Goods in good faith under a binding contract.

For both Section 1 and 2, if the Transit is interrupted or terminated due to the insolvency or financial default of the owners, managers, charterers or operators of the Conveyance, whether or not the Goods have been lost or damaged, We will pay You the extra costs of freight and/or storage to forward the Goods to their intended destination or to return the Goods to the place from which they were despatched up to a maximum of 10% of the Sum Insured of the Goods.

Where You are comprised of more than one entity, the term "You" will apply to each entity in the same manner as though a separate Policy had been issued to each entity, however, Our limit of liability shall not exceed the Sum Insured specified in the Schedule and Our liability to make supplementary payments will apply as though there were not separate policies issued to each entity.

The interests of any party other than You (e.g. financiers, other owners and/or lessors) who You require to be covered by this insurance are protected under this Policy provided You have informed Us about them and We have agreed to include them and noted them on the Schedule.

Where the protection provided by the Policy covers the interest of more than one party, any act or omission of an individual party will not prejudice the rights of the remaining parties, provided:

- the loss, damage, liability, cost or expense are not directly or indirectly caused by or contributed to by or arise from any of the remaining parties' misconduct or intentionally caused by one of the remaining parties or any person acting with their express or implied consent; and
- provided the remaining parties must, immediately on becoming aware of any act or omission that increases the risk of loss or damage, give notice in writing to Us and on demand pay such reasonable additional Premium as We may require.

This benefit will not act to exclude the rights of parties to whom You have sold the Goods insured who are entitled to claim for loss or damage to the Goods in respect of their Insurable Interest under customary sale/trade terms, to the extent of coverage provided by this Policy.

Loss of information/data/media

Provided that there is visible external damage to the Goods, We will pay up to NZ\$50,000 any one loss or series of losses arising from the one event for the reasonable cost of rewriting the information or data provided that these costs are not recoverable under any other Policy.

We will pay for loss or damage to packaging in the event of the original shipping packages arriving at the final destination in a visibly damaged condition arising from an Insured Event, where it is the established custom of You or Your trade to deliver the Goods to the final customer premises in the original shipping packages.

Resecuring costs

We will pay for all reasonable costs and expenses for which You are responsible up to a maximum of NZ\$10,000 (unless otherwise specified in the Schedule and provided they are not recoverable under any other Policy of insurance) incurred in resecuring the Goods where there has been movement of the Goods in Transit which makes resecuring necessary, even though there may be no claim resulting from the incident, providing that these circumstances were outside Your control and You could not reasonably be expected to know of them during the normal course of Your business.

Sealed Container Clause

In respect of shipments in FCL (Full Container Load) containers, provided that documentary evidence is produced to substantiate the quantity loaded into the FCL container the fact that the container's seal is intact at unloading point shall not invalidate claims for theft, pilferage, shortage and non-delivery. On settlement of Your claim, You shall assist Us in all respects to pursue rights of recovery from the suppliers and/or the packers or other responsible third parties.

Sorting Charges Clause

In the event of You or Your buyer complying with surveyor's instructions to sort damaged Goods to determine a loss which may be recoverable under the Policy, We shall pay for such expenses as approved by the surveyor even though a claim may not subsequently result under the Policy.

Strikes Diversion Expenses Clause

We will pay any reasonable additional costs incurred by You up to NZ\$50,000 any one loss or series of losses caused by the one event in addition to the Sum Insured shown in the Schedule or as specified in the Policy Schedule, where different, in unloading, storing and forwarding Your Goods

to their final destination where the carrier, shipowners, charterers or managers exercise a liberty granted to them by the contract of affreightment where solely in consequence of strikes, riots, civil commotions, lockouts or labour disturbances, the Goods are over-carried to or discharged at a port other than their Scheduled port of discharge under the contract of affreightment.

However in no case shall We be liable for any cost unless the liberty referred to in this clause is exercised prior to the expiry of 15 days from midnight of the day on which the strikes, riots, civil commotions, lockouts or labour disturbances cease to be in active operation.

Sue and Labour Clause

In the event of loss or damage caused by an Insured Event, You and Your servants are permitted to take reasonable measures for the purpose of averting or minimising such loss and We will, in addition to any loss recoverable under the Policy, reimburse You for any costs properly and reasonably incurred.

Measures taken by You or Us with the object of saving, protecting or recovering the Goods shall not be considered as a waiver or acceptance of abandonment or otherwise prejudice the rights of either party.

The following conditions shall be paramount where they conflict with any terms contained in this Policy or Clause or conditions referred to herein. Where this Policy covers loss of or damage to the Goods caused by any terrorist or any person acting from a political motive, this cover applies only when the Goods are in Transit and ceases:

General conditions and cover restrictions applicable to all Sections

Applicable law

The law of New Zealand shall apply to, and the Courts of New Zealand will have exclusive jurisdiction in respect of, any litigation arising out of this Policy. Any compensation awarded, or costs or expenses of litigation incurred, outside New Zealand, are not covered.

Authority

We may give to and obtain from any other Insurers, insurance reference bureaus and credit reporting agencies any information relating to Your credit or insurance history as well as insurance claims information.

Breach of Warranty or Condition

The law gives Us a number of rights if You do not comply with the conditions of this Policy. In particular cases We may be able to:

- cancel the Policy;
- avoid the Policy from the commencement date of the Period of Insurance;
- refuse to pay a claim;
- reduce the amount to be paid out on a claim.

Where the Marine Insurance Act 1908 applies

Warranties are conditions which must be exactly complied with, whether material to the risk or not. Under the Marine Insurance Act 1908, where applicable, if they are not complied with, then, subject to any express provisions in the Policy, We are discharged from liability as from the date of the breach of the Warranty, but without prejudice to any liability incurred by Us before that date.

Declaration of Actual Turnover or Sendings

The deposit Premium advised at the inception of each Period of Insurance is provisional and based on the estimated annual Turnover or Sendings during the Policy period agreed. On expiry of the Period of Insurance the Policy will be adjusted by applying the agreed rate percent to the actual Turnover or Sendings for that period. For the purpose of ascertaining any adjustment to this Premium You must provide, within ninety (90) days from the expiry of each Period of Insurance, the actual Turnover or Sendings.

The difference between the Premium based on the actual figures at the end of the period and the Premium calculated at inception will be paid by or allowed to You, as the case may be, but in any event a minimum **retained Premium** equivalent to 75% or as may otherwise be agreed, of the full Premium based on the initial estimates will be retained by Us.

We agree to waive any adjustment of Premium other than the difference between the deposit Premium paid and the full Premium based on the original estimates provided by You where the difference between the actual Turnover/Sendings and the estimated Turnover/Sendings is less than 10%.

If the deposit Premium is NZ\$5,000 or less, the deposit Premium shall be regarded as the minimum Premium for the Period of Insurance shown in the Schedule and no adjustment of actual figures is required other than the difference between the deposit Premium paid and the full Premium based on the original estimates provided by You.

You are required and agree to keep accurate records of all such figures and, on request, to provide Us with an audited copy of these records. If We request an audited copy of the records and this is not available then We may appoint an auditor. We shall pay for the cost of the audit but if the audit reveals that the figures declared by You are incorrect, You shall reimburse Us for the cost of the audit.

Delay or interruption by You

If after discharge of the Goods at the port of destination, You by Your action or failure to take action:

- delay the forwarding or,
- cause the Goods to be stored at any location other than the buyers' or other final warehouse or place of storage at the port of destination,

Your action or failure may prejudice Your rights under this Policy to make a claim.

Due Care

It is a condition of this Policy that at all stages You must take Due Care in the handling, storage, protection and movement of Goods and the provision of instructions to any transport services providers You engage to transport Your Goods.

Exchange rate

The exchange rate used by Us for any currency conversions applicable to declarations or claim settlements made under this Policy will be the Spot Sell rate (as advised to Us by Our bank) applicable on the date of the Bill of Lading or Air Waybill.

"On deck" shipments

Where the Goods are transported in shipping containers which are not fully enclosed and these are shipped "on deck", cover excludes loss, damage or expense caused by or arising from rust, oxidation, discolouration, fresh water or sea water unless as a result of a peril insured by Institute Cargo Clauses (B) with sub clause 1.2.3 deleted.

Other insurance

If at the time of any loss, damage or Accident that may give rise to claim under the Policy, there is any other insurance Policy covering the Goods whilst in the ordinary course of Transit effected by any other party then We reserve the right to seek contribution from any other Insurer(s). If You are aware of such other insurance covering either wholly or in part the Goods, You are required to notify Us. You must also provide Us with full information and all reasonable assistance in the recovery of Our rateable proportion of such loss or damage.

Prohibited cover or payments

Irrespective of any other provision of the Policy, We shall not be deemed to provide cover or be liable to pay any claim or provide any benefit (including a refund a Premium) hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would contravene or otherwise expose Us to any penalty, sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of Australia, New Zealand, the European Union, United Kingdom or United States of America.

Subrogation/Rights of recovery

We have the right to take action or institute legal proceedings, in Your name, for the recovery of payments made and expenses incurred in relation to any claim covered by this Policy, against any person, company or entity legally liable to You in respect of that claim. You must provide Us with full information and all reasonable assistance in the recovery of those payments or expenses.

Waiver of subrogation rights

We are not liable to pay any benefits under this Policy for loss or damage to Goods if You agree or have agreed to limit or exclude any right of recovery against any third party who would be liable to compensate You with respect to that damage to Goods after the loss of or damage to the Goods has occurred. This provision does not apply to Your signature of a Transport Operator's standard conditions of cartage, consignment note, Bill of Lading, Air Waybill or similar contract of affreightment.

War and Strikes Variation Clause

The Premium and rates quoted /charged are inclusive of the War and strikes rates charged by Us as at the attachment date of the Policy. As War and strikes exposures may vary during the currency of the Policy, We reserve the right to vary the War and strikes rates at any time by giving You (or Your broker /agent or representative) 7 days notice in writing of any such variation.

Any variation in Premium will be calculated by deducting the rate charged at the commencement of the Policy from the new rate and applying the difference to the exposed Turnover. The method of payment for any difference in Premium will be advised as part of the notice to amend War and strikes rates. Nothing contained herein shall vary the cancellation provisions of this Policy.

Claims

Good and Services Tax

Provided that GST is recoverable by Us, all Sums Insured, Limits of Indemnity and sub-limits specified in the Policy and Schedule are exclusive of GST. GST will be added, where applicable, to claim payments. If Your Sum Insured or Limit of Indemnity is not sufficient to cover Your loss, We will only pay the GST on the sum that relates to Our settlement of Your claim. Where any part of this Policy specifies any Sum Insured this amount excludes Goods and Services Tax.

Claims procedures

These procedures are important. Failure to follow them might jeopardise a claim under this Policy.

A You (or Your buyer in the event of an export shipment) MUST:

As soon as You or the buyer become aware of any, or any potential, loss or damage which may result in a claim under the Policy You or Your buyer must, at Your or the buyer's own expense as if You are not insured:

- (i) take such measures as may be reasonable for the purpose of averting or minimising such loss or damage. We will reimburse You or the buyer for any charges properly and reasonably incurred in pursuance of these duties.

Measures taken by You, the buyer or Us with the object of saving, protecting or recovering the Insured Goods shall not be considered as a waiver or acceptance of abandonment or otherwise prejudice the rights of any party;
- (ii) immediately advise Us or, in the case of an export shipment, Our overseas representative, of the loss or damage or death or injury of Livestock where applicable including the location and circumstances of the loss, time and date. We or Our overseas representative may decide to appoint a surveyor or an assessor to inspect the damage to determine the cause, and who might be responsible for it. You or Your buyer should co-operate with the surveyor fully as this will assist with the speedy adjustment of Your claim;
- (iii) take all reasonable action to recover lost or stolen Goods and minimise the claim, including, in respect of Livestock, mustering and agistment of the animals (which are claimable under this Policy to the extent of the covers listed under the Additional Benefits applicable to section 1);

- (iv) as far as possible preserve any Goods or other items which might prove necessary or useful as evidence. In respect of Livestock, where it has been necessary to remove or dispose of them on the order of responsible officials, death of the animal is to be certified by a veterinarian or the responsible official;
- (v) properly preserve and exercise all rights against carriers, bailees or other third parties specifically:
 - do not release those parties from liability;
 - do not give “clean receipts” where You believe that the Goods have suffered loss or damage. That is, when the Goods are delivered, You will be asked to sign the carrier’s receipt (i.e. consignment note or delivery docket) which usually acknowledges that the consignment was received in good condition.

If there is any obvious evidence of damage or shortage do not under any circumstances sign the document.

If a signature is required, add a note to the effect that the Goods were delivered damaged. That is what is termed a “qualified receipt”.

If You or the buyer suspect that there is damage, even if it is not obvious, add a note to say that ‘You are accepting the Goods in apparent good order and condition’.

Giving a signature without any comment is termed giving (or signing) a “clean receipt”.

A “clean receipt” infers that You or the buyer agree that the Goods were not damaged at the time the signature was given. That makes it difficult for You or the buyer to prove to the carrier that You or the buyer have a valid claim.

- if Your Goods are delivered in a shipping container, examine the locks and seals and compare the numbers with those listed on the shipping documents, preferably before the container is removed from the Conveying Vehicle that delivered it to Your or the buyer’s premises.

If the container is delivered damaged or with seals broken or missing or with seals other than stated in the shipping documents, note the delivery docket accordingly and retain all defective or irregular seals for subsequent identification;

- (vi) if the loss or damage was not immediately apparent at the time of delivery, apply immediately for surveys by the carriers or other bailees, to be conducted within 3 days of delivery;
 - (vii) provide Us or Our overseas representative with a written claim detailing:
 - the nature and extent of the loss or damage;
 - any other insurance that may exist on the Goods;
 - (viii) attach original or legible photocopies (of both sides of any document that has anything on the reverse) of any of the following that are applicable to the circumstances:
 - shipping invoices, specifications, packing lists, weight notes, gate passes;
 - commercial invoices, customs documents;
 - bill of lading, air waybill, or consignment note (an original is preferable, and may be required for any recovery action against a third party);
 - copies of all correspondence exchanged with any third party;
 - any internal (within Your company) reports or memos detailing the extent of the damage;
 - repair quotations or receipts;

and any other documents that might confirm the circumstances of the loss or damage and substantiate the amount/s being claimed.
- B You or Your buyer MUST NOT:**
- (i) authorise the repair or replacement of anything without Our agreement;
 - (ii) dispose of any damaged Goods without giving Us or Our overseas representative the opportunity to examine those Goods.
- C After You or the buyer have advised Us or Our overseas representative of any loss of or damage to Goods:**
- (i) You or the buyer must comply with all Policy terms and conditions before We will meet any claim under the Policy;
 - (ii) We have the right to recover from any person against whom You or the buyer may be able to claim any money paid by Us. We may take over and conduct, in Your name or the buyer’s name, the defence or settlement of any claim and We will have full discretion in the conduct of any proceedings in connection with the claim;

- (iii) We may pay You or the buyer the Sum Insured under the Policy or any lesser amount for which a claim or claims may reasonably be settled.
